

REALIZE COMMUNITY **POTENTIAL** PROGRAM

**Are you planning trips with your children with ASD this summer?
Come to our Make and Take with Jennifer Geigel
Easy Does It, Travel Therapy Bag: (English)**

Wednesday June 3rd and June 17th from 6:30 p.m. to 9:30 p.m.

During this workshop parents will assemble activities, games and reward systems for their child that will have a general focus on matching, patterns, basic sentence structure and sequencing. All of these activities are created to be small and accessible anywhere, even on the go! All necessary materials will be available for 12 (max) participants as well as assembly instruction. All activities can easily be adapted to different levels of learning: from the child who is beginning to associate two identical pictures, to the learner who is starting to read.

Jennifer Geigel has been teaching for ten years, grades Junior K to 6 and is presently an art teacher. She holds a Bachelor degree in visual arts and a Bachelor of education both from the University of Ottawa. She is also a Mom of a daughter with ASD and has her own consulting business called Connecting Pieces.

Location of the workshop: 211 Bronson Avenue, Ottawa.
